Day for Life – The Lord is my Shepherd – Compassion and Hope at the End of Life: Sunday 16th June. This year's message reminds us that Jesus did not send the sick away, rather He showed that life always has dignity and that there is no such a thing as a useless life. Catholics are called to defend this gift of life to its natural end and to protect vulnerable citizens from a culture that could pressure them into assisted suicide. In this way, we are encouraged to support people with the companionship of a listening ear, appropriate treatment, and the best of care, so that their last days can be times of grace, intimacy and love. This message also includes a brief human-interest story about a young man named Matt, and the experience of a priest who ministered to Matt and his loved ones in his final months and days. This grace-filled time proved to be a period of intense compassion and profound dignity, as well as faith enriching experience of love and generosity for all concerned. *The Day for Life message is available on councilforlife.ie/day-for-life-2024*
